Hi Teresa,

I hope you are doing okay. I don't expect you to do anything with this until you are ready but I wanted you to know that Ila has already reviewed/cleared p-CBSA. I will address her comments in a track changes copy and create a clean final version and send to you tomorrow. Thank you

I have noted two very small potential edits in the document (for Teresa to look at) but all else looks good. I think a case could have been made for a LOAEL but it can be argued either way. I trust your judgement on this. Another great job.

Hi Ila,

Please find attached the files you will need for the clearance of this PPRTV. Annette has already cleared this one. Once you are done with your review and clearance, I will upload everything to STICS per our usual process. This is our first PPRTV to be cleared for FY17. Please let me know if you need anything else to complete your review. Thank you for your time and effort on this. I hope you had a nice holiday.

Teresa Shannon
